Subject: request extension and modification to the project "Contribution to UNHCR efforts for Burundian refugees in the Great Lakes Region"

Dear Mr. Stromberg,

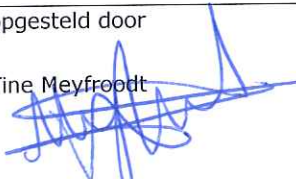

I have the pleasure to inform you that I accept the extension and the modification of the project "Contribution to UNHCR efforts for Burundian refugees in the Great Lakes Region" as you requested in your letter of 27 June 2018. Belgium allocated 2.750.000 EUR in funding to UNHCR to fund its efforts for Burundian refugees in the Great Lakes Region. The extension and the modification do not affect the total amount of the funding.

The requested extension of 6 months will allow the finalization of the implementation of activities, in particular the distribution of CRI's in Burundi. The recent influx of Congolese refugees diverted attention and energy from the planned distribution. The requested modification will allow the inclusion of Congolese refugees recently arrived in Uganda as beneficiaries and a small change in the activities, notably the replacement of the pilot bio-gas plant in the Nakivale Settlement with the distribution of energy-saving items such as additional briquettes and cooking stoves.

This letter will be added to the Terms and Conditions of this contribution.

Sincerely yours,

Peter Van Acker
 Director D5
